Mr. Kireta – attached is the Antimicrobials Division's response to your letters dated November 2, 2012 and May 28, 2013 to Joan Harrigan-Farrelly and Susan Lewis respectively. I apologize for the delays in our response. I also apologize that I didn't email the letter to you when it was signed on February 14. It was buried on my desk and I only found it today when I was cleaning up. You can ignore the March 10 deadline for a response listed in the letter. If you will, please provide that written permission at your earliest convenience. Also, please let me know if you have any questions.

Regards,  
John Hebert
